

Perus school and kindergarten rack is a staple in every hallway. Its versatility is unmatched, as there is a suitable furniture set for every space. Perus rack is available as wall-mounted or freestanding on the floor. The frame parts of both models can be equipped with components as needed, such as coat racks, shoe shelves, lockers, seating surfaces, and numerous other options. The frame parts of the locker system come in different heights, so there is a suitable size for each user.
